**Class meetings:** This course is facilitated online using Canvas. The internship is an opportunity for students to earn academic credit while applying theoretical and course-based practical learning in a supervised industry experience. Contact hours that would normally be spent in class, will take place onsite at the location of the internship. For this reason, **students must complete 150 hours minimum in a supervised work setting to receive course credit.**

**Course Description:** BUSA 3400, IBUS3400, INFO3400, MGMT3400, MKTG3400, OPER3400

Prerequisites: Belk College of Business junior or senior in good standing with a declared major or minor in Business Analytics, International Business, Management, Management Information Systems, Marketing, or Operations & Supply Chain Management. Completion of MKTG 3110 with a grade of "C" or better and completion of 2 Marketing electives is a requirements for the MKTG3400 Course

**Materials:** There is no required text for this course.

**Objectives:** The objectives of this course are to:

1. Increase business acumen and industry knowledge associated with your major and intended profession
2. Gain practical work experience related to a business major and apply theoretical understanding learned in the classroom to a real-world setting

3. Build a professional network and identify potential career paths for the future
4. Identify personal and professional career goals leading to future career success

The ways that the assignments of this course will help you to reach these objectives are detailed below.

### **Supervisor Responsibilities:**

Your onsite supervisor is required to complete an evaluation of your work performance. The supervisor should provide you adequate guidance and training during the internship. The purpose of the evaluation is to provide an opportunity for open communication about performance expectations and feedback. It is the responsibility of your supervisor to create an ethical work environment for you to learn and grow professionally. If for any reason you feel that your employer is not supporting ethical work practices, please contact the course instructor immediately to discuss.

**The employer evaluation is due by May 7, 2021.** It is your responsibility to follow up with your supervisor to ensure that the evaluation is completed on time and by the deadline. This means allowing time for your supervisor to consider your performance, write up an evaluation, share it with you in a discussion, and then email the results to the instructor. A good rule of thumb is to allow 2-3 weeks' notice at minimum, but will depend on your supervisor's work schedule among other factors. Have this discussion early to avoid pressuring your supervisor to perform under a quick turnaround and to ensure this is completed on time.

**Attendance & Participation:** You are required to honor the work schedule set forth and agreed upon by you and the employer. It is very important for you to demonstrate punctuality during your internship experience. **Students with less than 150 supervised hours by the end of the semester will receive a failing grade in the course.**

### **Honor Code:**

Students are expected to abide by the "UNC Charlotte Code of Academic Integrity" as described in the UNC Charlotte Undergraduate Catalog. Students found in violation may be subject to failure of an assignment, exam, and/or the course.

### **Disability Services:**

UNC Charlotte is committed to access to education. If you have a disability and need academic accommodations, please provide a letter of accommodation from Disability Services early in the semester. For more information on accommodations, contact the Office of Disability Services at 704-687-0040 or visit their office in Fretwell 230.

### **Diversity Statement:**

The Belk College of Business strives to create an inclusive academic climate in which the dignity of all individuals is respected and maintained. Therefore, we celebrate diversity that includes, but is not limited to ability/disability, age, culture, ethnicity, gender, language, race, religion, sexual orientation, and socioeconomic status.
