You might enjoy marketing if you are people oriented; you’re self-motivated; you enjoy being creative; people compliment you on your organizational skills; you’re a trend setter; you relate well to others and help them see the “heart” of the matter.

Right Now in Marketing

Customer experience, employee engagement, and content visualization are top trends in marketing in 2022. There is an increased focus on collaboration to create an overall customer experience.

There is a shift toward user-generated content. Marketing professionals will need to adapt and maximize that opportunity. Social media marketing will continue to grow.

Preparing for Your Career...

As cited by top area recruiters, you will need:

- Advanced verbal and written communication skills
- The ability to translate complex ideas & use persuasion and negotiation skills
- Creative writing, editing, and proof-reading skills
- Research and big-data analytics skills including data collection, statistical analysis, and result interpretation
- The ability to lead and work in team, set & achieve short & long term goals
- Possess a customer-service orientation, high energy, & relate well to others
- The ability to meet deadlines, work under pressure, and be self-motivated

Keys to getting a marketing position out of school:

- Have an Internship in marketing (paid or unpaid)
- Experience in the field
- Take initiative and work independently and/or collaboratively
- Talk about your work and why you make the decisions you do

*These are competitive roles- be prepared to assist as you start out!

Marketing Industries

Advertising & Promotions. Use creative tactics to inform, persuade, and influence potential customers to buy a product or service; One of the most desired occupations in marketing, making it competitive for job seekers.

Market Research & Analytics. Analyze, track, and report marketing information to help top managers make key decisions about a firm’s product offerings, target market, marketing mix, and strategic planning.

Professional Sales. Promote a firm’s products or services directly to a potential buyer through a person-to-person sales presentation; Today, over 13 million US workers are employed in a sales-related occupation.

Internet & Social Media. Apply traditional marketing and promotions techniques using a digital or interactive platform.

Retail Marketing. Involves all of the ways a business acquires customers and gets those customers to buy their goods and services.

Sports Marketing. Focuses both on the promotion of sports events and teams as well as the promotion of other products and services through sporting events and sports teams.

What is Marketing?

The process of identifying, promoting, and delivering desirable products or services that satisfy consumer needs. Marketing is more than just sales. It is a discovery process that drives the creation of products through intensive customer research and data collection. It is a technique for promoting and pricing products appropriately in the market and distributing those products in an efficient manner. It is an exchange process and a relationship between a business and the customer it serves.
